Secretary of State
JUN 25 1914

My dear Mr. Secretary:

I return the copy you were kind enough to send me of the Convention for the Dominican Republic. The general administrative arrangement is no doubt such as we could enter into with Haiti. I suggest that with the aid of memoranda from our representatives in Haiti we attempt a similar statement of the circumstances and have a convention tentatively drawn up along the same lines.

Always

Cordially and faithfully yours,

enc.

Hon. William Jennings Bryan,
Secretary of State.
